15th March 2019

A busy week of curriculum enrichment learning. Year 2 really enjoyed their visit to Eureka! The National Children's Museum this week. They loved exploring the different zones.

Year 5 learnt how to carry out CPR this week. This learning was linked to their key text Pig Heart Boy and their topic about the human body. What a fantastic life skill to learn - it may well save a life one day.

We have also enjoyed watching the hatching of Year 4s' chicks this week. It has been an amazing experience for the children to actually watch the chicks peck their way out of the eggs. Both children and staff have fallen in love with our new fluffy members of Team Thrumpton!

Red Nose Day - Comic Relief

Today we raised £117 for Comic Relief. A BIG THANKS to Miss Kerr & Mrs Darlington for organising the nose painting and 'glitzing'!

Year 5 learnt how to carry out CPR on Thursday - a skill that may one day save a life.

PRINCIPAL'S AWARD

Mrs Hurley was absolutely delighted to handout her special award to the following children this week:

Jakub for his amazing homework!

We've had a very exciting week in Year 4, waiting for all of the eggs to hatch!!

We would like to send a huge thank you to Mrs Dickinson for giving our children such a wonderful opportunity.
