22nd March 2019

It is lovely to see signs of spring arriving and lighter, brighter days. We even managed to get the children out on the field one lunchtime this week!

Year 3 and 4 have been busy rehearsing for their spring production of Dragon Days over the last few weeks. Their singing is sounding fantastic! We hope to see many of you at the performances on Wednesday 3rd April.

Mrs Rebecca Hurley

TTF Non-school uniform day!!

On Friday 29th March we are having a non-school uniform day. TTF are asking for a chocolate donation instead of money. All chocolate donated will be used as prizes for Easter events in school.

Polling Day

We have been notified that our school building will be required for Polling on Thursday 2nd May. We have no choice but to close school on this day as we cannot ensure the safeguarding of our children with the site open to the public. We apologise for the inconvenience we know this causes some parents.

Uniform Reminder

Please ensure that your child is in full school uniform, including for PE. Long hair should be tied back but fancy hair clips and head bands should not be worn please. Thank you for your support with helping us to maintain our high expectations for uniform.

If you would like a reminder as to our Uniform Policy, it can be found by following this link .

Class Dojo

We are aware of issues with ClassDojo. We have been in touch with them and they have informed us that they have resolved the issue in the latest upgrade. Please keep your eye out for an app update, and update when available. An update should be available to all systems by the end of the week.

If you experience problems following this, please let your child's class teacher know.

Mini Wheelers...

Reception are enjoying their Mini Wheelers sessions!!

We ❤️ Mini Wheelers!

Calculation Policy

Sometimes the strategies that your children are using to solve maths calculations may be unfamiliar to you. We have a guide on our website that outlines the different strategies that we teach our children that you might find helpful. It can be found at <http://www.thrumptonprimaryschool.co.uk/mathematics/>
