Year 2 finished the last of their SATs this week. The children think of these as quizzes and appear to have enjoyed completing them. Year 6 visited North Notts College this week as part of our mission to inspire our children's future aspirations by sharing with them opportunities for education and careers routes. Miss Hogg and Ms Boland are delighted that some of the theatre make up students have offered to support our end of year show!

It has been a very busy half term with all of our statutory testing and it is hard to believe that when we return after the holiday we are into our last half term of the year. Next half term is jam packed with sport events, end of year shows, leavers & achievers and transition as we begin to think about next year. Keep an eye on our weekly newsletters for diary dates for these events.

Wishing you all a happy and restful break.

Mrs Rebecca Hurley

Be The Best You Can Be Friday...

Today was our first Be The Best
You Can Be Friday. I invite two
children from every class who
consistently make the right
behaviour choices, work hard and
are the best they can be all of the
time to meet with myself or another

senior staff member on a Friday for a hot chocolate and chat. This replaces our Always Green approach of previous years and ensures that our children who are always the Best They Can Be are recognised for this.
