26th April 2019

I hope that you all had a wonderful break over the Easter holidays. We were certainly very lucky with the beautiful weather.

We have launched summer term by refocusing our approach to behaviour within school with a staff training session and a whole school assembly. Your child may have already shared with you our new school rules:

Be Ready, Be Respectful, Be Safe.

Be Ready

Be Respectful

Be safe

Be ready means having the right uniform, equipment, being on time and having the right attitude to learning. **Be respectful** is fundamental to our 'treat others as you would like to be treated' culture as well as incorporating our expectation to respect our environment and equipment.

Be Safe reminds our children of the need to walk around school, not hurt others or behave dangerously and to follow our health and safety rules. Our rules are now displayed all over school to remind us of them.

We have also recapped our vision as a staff team and the key drivers behind what we aim to achieve for our children.

We believe in the importance of **inspiring** our children through our curriculum so that they want to learn and know more and try new things. We aim to give our children high **aspirations** for their learning, conduct and future goals. We believe that we can **make a difference** to the lives of our children through achieving the highest academic outcomes and through our nurturing approach. We **go the extra mile** to ensure the very best outcomes, experience and holistic care for the children of **Team Thrumpton**.

We will be sharing more information about our work on behaviour and culture with you over the next few weeks.

Mrs Rebecca Hurley

Easter Egg Hunt

It was wonderful to see so many children and families egg hunting around school last night. Thank you to everybody who supported the event, to Miss Kerr for organising and to our fabulous volunteers from Team Thrumpton Friends for helping to run the event. We are planning to use any money raised to improve our outside provision for our children at lunchtimes and breaktimes.

Mobile Phones

Children do not need their mobile phones in school. Mobile phones are removed from the children and locked away safely during the day and therefore do not need to be in school. The only time children may require a mobile to be brought to school is when children are in Year 5 or 6 and they are working to and from school alone.

EXCITING NEWS

We are delighted to announce there is a new Team Thrumpton baby on its way! A HUGE congratulations to Mrs Johnson, her husband and big sister Matilda.

Summer Uniform

Summer uniform can now be worn. Please check out our uniform policy to ensure your child is following our new school rule to **Be Ready** and is wearing the correct uniform. <https://primarysite-prod-sorted.s3.amazonaws.com/thrumpton-primary-school/UploadedDocument/779363ed56534dd496fbf4c63379b52e/thpa-uniform-policy-september-2018.pdf>
