29th March 2019

It has been Year 5 and Nursery's turn to incubate eggs this week. The children have been so excited about the arrival of more chicks in school. It has been an amazing experience for the children and staff to learn all about the life cycle of the chicks. A big thank you to Mrs Dickinson who has organised this for the children. She has even been coming to work early to talk to the children about how to incubate the eggs.

Another big thank you to our Team Thrumpton Friends who got up super early this morning to cook a special Mothers' Day breakfast. It was wonderful to welcome so many special ladies into school. Thank you also for your support for Team Thrumpton Friends today with your chocolate donations. These will be used as prizes for Easter fundraising events. All of the monies raised by TTF go towards supporting the little extras that we provide for our children, such as Year 6 leaving gifts and Christmas presents for the children.

Mrs Rebecca Hurley

## Attendance

The whole school attendance (without non-statutory pupils) for this week is 96.44%

Class	18th - 22nd March	25th - 29th March
