

## Daily Writing tasks will be set via DoJo.

### Daily Reading

Please make sure that your child keeps reading! This is a great opportunity to read some good books. Why not take the time to read too!

**Writing:** Go to <http://www.pobble365.com/> Complete a Free Write for the picture of the day. We would love you to share the writing with us on Dojo!

**EGPS:** Daily SPAG

### Science:

Water Conservation.

Keep a record of how much water you use in a day. Think of every time you have turned a tap on (whether that is to drink, wash, clean your teeth, water plants in the garden etc), flushed the toilet or used water in any other way.

You can storyboard your day out (similar to the way Developing Experts have on their presentation) or you can do this as a chart showing what you used water for and how you did this.

Afterwards complete an audit of this – looking at ways you could have possibly saved some water during your day (for instance did you leave the tap running while you were cleaning your teeth)

### Music

Sing!

Create a fact file about our instruments of the orchestra.

**Computing:** Work through the levels on rapid router, to create an algorithm to guide the car around the road, running it as a program and debugging errors and use logical reasoning to negotiate the route you need to take. Week 1 we looked at basic coding, this week we will continue from level 19 looking at more efficient coding including repeating instructions.

<https://www.codeforlife.education/rapidrouter/>

Create a game on Scratch and practice coding skills via:

<https://scratch.mit.edu/>

Dear Families,

Here is an overview of tasks we would like the children to have a go at home over the forthcoming weeks. We are committed to ensuring that your child is still learning as much as possible and will do our very best to keep this happening. We will be communicating with you via DoJo as much as possible during this time.

All the best,

Mr Williams

### My Logins

**Mathletics:** <https://login.mathletics.com/>

Log-ins individually sent out within DoJo.

**Spelling Shed:** <https://www.spellingshed.com/>

Log-ins individually sent out within DoJo

**TTRS:** <https://trockstars.com/>

Log-ins individually sent out within DoJo

**Odizzi:** <https://www.oddizzi.com/>

Username: thrumpton4

Password: thrumpton4

**Developing Experts:** <https://developingexperts.com/s>

School Name: Thrumpton Primary Academy Log-in: As directed on DoJo

**Please keep in touch and send photos of what you are up to over Dojo!**

### Maths

**Daily Maths tasks will be set via DoJo.**

*Daily Arithmetic*

*Times Table practice. A times table grid will be sent out for timed responses to complete.*

*Mathletics and TT Rockstars tasks will continue to run and be set.*

### Newsround

<https://www.bbc.co.uk/newsround>

Keep up to date with what is happening in the world!

Why not write a news report?

### Art & Design / Design & Technology

Create your own still life scene using items from around the house (cups, glasses, vases of flowers, jars, bottles etc) and do a compare and contrast piece.

Split your paper into two. Draw your still life arrangement on each side of the paper. On one side shade these in using your knowledge of shading and light and dark from class. On the other side colour your items in – these don't have to be the colours of the actual items, you can make these bold and striking. Think about the colours you are going to use for the best effect before you colour them.

### History & Geography

During our topic on Ancient Greece we have looked at the Olympic Games and their origins in Greece. We found that these used to all take place in the same place (Olympia, near Mt Olympus). But, modern Olympic Games move around the globe. Using Oddizi, I want you to consider the pros and cons of hosting a modern Olympic Games. What are the benefits it brings to the country, local area etc? But what are the negatives it can bring? Then write a proposal to the Olympics Executive Board to host the games. (There are templates on Oddizi to help).

Recap our learning from last term on North America. See how many American States you can remember, see how many you can put in the correct place. When you've done check your answers and locate them all using either an atlas or maps through searching on the internet. You could stretch yourself further by looking at the Canadian Provinces.

### Great Websites!

**BBC Bitesize** <https://www.bbc.co.uk/bitesize/primary>

**Grammarsaurus: Learn grammar through songs on the Grammarsaurus YouTube Channel**  
<https://www.youtube.com/channel/UCMhWKrdwzFr994ZhwqG4nlA>

**Education Quizzes:** <https://www.educationquizzes.com/>

**Year 6 SATS:** Old style test papers that are still useful for practise. View on screen or print off.  
<https://www.emaths.co.uk/index.php/student-resources/past-papers/ks2-sat-2016-practice-papers>

**Classroom Secrets Home Learning Packs:** These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.  
<https://classroomsecrets.co.uk/free-home-learning-packs/>

### PE

**Remember to get some physical activity every day.**

**Supermovers** <https://www.bbc.co.uk/teach/supermovers>

**Joe Wicks Body Coach** <https://www.youtube.com/watch?v=d3LPrhI0v-w>

**Go Noodle** <https://www.gonoodle.com/>

**Change4Life** [Change For Life](#)
