

Science Curriculum Map

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Plants	Parts					Photosynthesis
	Types					
Organisms	Classification					Kingdoms
	Ocean Life	Insects		Classification		Cells
Ecology		Habitats		Habitats		
		Food Chains		Food Chains		
Human Body	Senses & Systems	Taking care of Earth	Digestive System	Muscular System	Circulatory System	Hormones & Reproduction
	Healthy Bodies		Diet	Skeletal System	Respiratory System	Reproductive System
Reproduction & Evolution		Life cycles		Nervous System		Reproduction
				Vision & Hearing		Evolution
Matter	Materials	Materials			Atoms	Atoms & Compounds
		States of matter			Elements	Periodic Table
Forces	Magnetism	Electricity	Magnetism	Light & Sound	Solutions	Changes
	Astronomy		Machines		Electricity	
Cycles In Nature	Seasons		Friction & Forces		Astronomy	
	Weather		Water Cycle		Meteorology	
Earth			Earth's Surface	Earth's layers		
			Inside the earth	Rocks & Mountains		
Significant Scientists		Florence Nightingale		Weathering & Erosion	Tim Burners-Lee	Michael Faraday & Tesla
		Thomas Edison	Archimedes		Dorothy Hodgkin	Elizabeth Garrett Anderson
		Curie Family	Aristotle	Alexander Graham-Bell	Isaac Newton	Charles Darwin
