1 Definition of bullying

1.1 Bullying is “behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally”. (DfE “Preventing and Tackling Bullying”, July 2017).

1.2 Bullying can include: name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.

1.3 This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.

1.4 Bullying can be a form of peer-on-peer abuse and can be emotionally abusive; it can cause severe and adverse effects on children’s emotional development.

1.5 Bullying is not having a single argument or fight with someone. It isn’t saying something bad to someone once when you are angry. Bullying goes on deliberately (on purpose) over a period of time.

2 Scope and mission

The academy will:

2.1 Support staff to promote positive relationships, to help prevent bullying.

2.2 Recognises that some members of our community may be more vulnerable to bullying and its impact than others; being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.

2.3 Have a commitment to intervention by identifying and tackling bullying behaviour appropriately and promptly.

2.4 Ensure that pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.

2.5 Require all members of the academy to work to uphold the anti-bullying policy.

- 2.6 Expect to report back to parents/guardians regarding concerns on bullying, dealing promptly with complaints.
- 2.7 Seek to learn from good anti-bullying practice elsewhere.
- 2.8 Utilise support from the Local Authority and other relevant organisations when appropriate.

3 Aims and objectives

3.1 Our academy vision is to ensure that all members of our community enjoy a positive, safe and enriching experience set within the specific context and ethos of our academy. We expect pupils and all stakeholders to contribute positively to the common good of the whole academy community.

3.2 Thrumpton Primary academy recognises that bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for social, emotional and mental wellbeing. Each person is uniquely valued.

3.3 By effectively preventing and tackling bullying, our academy can create a safe environment where the potential of everyone in our community is nurtured and developed to reach their full potential.

4 Responsibility for implementing the policy

4.1 The day-to-day responsibility for delivering the Anti-bullying Policy lies with the principal.

4.2 All employees of Thrumpton Primary Academy will consistently follow the policy. All staff are responsible for the behaviour of children when engaged in activities directly related to the work of the Academy.

4.3 The implementation of the Policy and respective academy anti-bullying annexes are quality assured in each academy through the work of the Strategic Development Leader, behaviour.

4.4 The overall responsibility for the trust policy is overseen by the Chief Education Officer (CEdO) with the portfolio of behaviour.

4.5 Local Academy Committees to take a lead role in monitoring and reviewing their respective annex to this policy.

4.6 All staff, including: governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.

4.8 Parents/guardians support their children and work in partnership with the academy.

5 Types of bullying include (but are not limited to):

- bullying related to race, religion, nationality or culture
- bullying related to SEND (special educational needs or disability)
- bullying related to appearance or physical/mental health conditions
- bullying related to sexual orientation (homophobic bullying)
- bullying of young guardians, children in care or otherwise related to home circumstances
- sexist, sexual and transphobic bullying
- bullying via technology, known as online or cyberbullying.

6 Responding to bullying

6.1 The academy has a clear system to report any type of bullying. This includes those who are the victims of bullying or have witnessed bullying behaviour.

6.2 Pupils should initially report bullying to their class teacher.

6.3 The academy will take appropriate action.

6.4 The academy will log all concerns on an Incident Form and via our MIS system: SIMS.

6.5 Parents or guardians should report their initial concerns about possible bullying to their child's teacher. The academy will take appropriate action.

6.6 Visitors or bystanders should report bullying at the respective academy's main reception and it will be passed on to the appropriate member of staff.

6.7 A 'Bullying Log' will be used to ensure that individual incidents are followed up. It may also be used to identify trends and inform preventative work in the academy; leading to further development of the anti-bullying policy annex.

6.8 The management of a bullying incident in our academy will involve dialogue between the relevant combination of staff and pupils. In more persistent cases the dialogue may include parents and/or supporting agencies, (e.g. Targeted Support Service, Police, Education Psychology Service, Special Needs Support Service and School Health/ Healthy Families personnel).

6.9 Parents of any children involved in bullying will be contacted and kept informed by the designated member of staff.

6.10 Responses to bullying in each academy will be varied, depending upon context and the needs of all parties involved.

6.11 The academy expects all staff to outlaw bullying in their responses to a student's behaviour in the context of lessons, tutorials and assemblies. The academy encourages pupils to support each other and show disapproval to the act of bullying.

7 The protocol

7.1 The designated safeguarding lead will be informed of all bullying issues where there are safeguarding concerns.

7.2 Sanctions (as identified within the academy behaviour annex) and support for individuals will be implemented, in consultation with all parties concerned.

7.3 If necessary, other agencies may be consulted or involved, such as: the police (if a criminal offence has been committed) or other local services including early help or children's social care (if a child is felt to be at risk of significant harm).

7.4 A clear and precise account of the incident will be recorded by the academy in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

8 Cyber / online bullying

8.1 The academy defines cyberbullying thus:

- Cyberbullying (or online bullying) is bullying using technologies, particularly over the internet or via mobile and gaming networks.
- Cyberbullying is the use of technologies by an individual or by a group of people to deliberately and repeatedly upset someone else.

Technology can be used to carry out a wide range of unacceptable or illegal behaviours.

8.2 Cyberbullying can be an extension of face-to-face bullying, with technology providing an additional route to harass an individual or group. It can also be a way for someone being bullied face-to-face to retaliate.

8.3 Cyberbullying can be carried out by individuals or groups who are known to the person being bullied. There are also cases where individuals have been cyberbullied by people or groups they have never met.

8.4 Thrumpton Primary Academy recognises that any member of the academy community – student, staff member, parent or guardian – can be involved in and be affected by cyberbullying.

Cyberbullying can take place between pupils; between pupils and staff; between parents and guardians and pupils; between parents and guardians and staff; and between staff members.

8.5 Thrumpton Primary Academy encourages parents/guardians to take responsibility for their child's internet usage. This includes their child's use of all social media platforms and how their child interacts online with other members of the respective academy community. This will not only help protect their child online but also other members of the academy community. Further safeguarding guidance and advice can be found in the 'Safeguarding and Child Protection Policy'.

8.6 When responding to cyberbullying concerns, the academy will:

8.6.1 Act as soon as an incident has been reported or identified, and to follow specific protocols as laid out in the this appendix.

8.6.2 Provide appropriate support for the person who has been cyberbullied.

8.6.3 Work with the person who has carried out the bullying to ensure that it does not happen again.

8.6.4 Inform and work with parents to mitigate against future issues involving cyber-bullying.

8.6.5 Consider confiscation and a search of pupils' electronic devices, such as mobile phones, in accordance with the law, specifically section 15 of the DfE 'Searching, Screening and Confiscation at School - January 2018) advice

8.6.6 Request the deletion of locally held content and content posted online if they contravene the Behaviour Policy and / or academy behavioural protocols.

8.6.7 Ensure that sanctions are applied to the person responsible for the cyberbullying; in conjunction with steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.

8.6.8 Inform the police if they believe a criminal offence has been committed.

8.6.9 Provide information to staff and pupils regarding steps they can take to protect themselves online.

9 Supporting pupils

Pupils who have been bullied at Thrumpton Primary Academy can expect to be:

- 9.1 Given reassurance and provided with continuous support to work towards restoring self-esteem and confidence.
- 9.2 Offered an opportunity to discuss the experience with their class teacher or Family Support Worker in the first instance.
- 9.3 Advised to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience as appropriate.

10.1 Employees who have been bullied or affected will be supported (when relevant) through the Disciplinary and / or Grievance policy (HR) or Concerns and Complaints Policy (Corporate) and in accordance with the existing protections outlined in the Safeguarding and Anti-Bullying Policies.

11 Preventing bullying

The whole academy community will commit to:

11.1 Creating and supporting an inclusive environment which promotes a culture of mutual respect, consideration and care for others.

11.2 Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).

11.3 Openly discuss differences between people that could motivate bullying, such as: religion, ethnicity, disability, gender, sexuality or appearance related difference. Also children with different family situations, such as looked after children or those with caring responsibilities.

11.4 Challenge practice and language which does not uphold the values of tolerance, non-discrimination and respect towards others.

11.5 Encourage the safe and respectful use of technology, especially mobile phones and social media.

11.6 Work with staff, the wider community and outside agencies to prevent and tackle concerns including all forms of prejudice-driven bullying.

12.6 Using a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

13 Education and training

Trumpton Primary Academy will provide opportunities to:

13.1 Train all staff, including: teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff) and pastoral staff, to identify all forms of bullying and take appropriate action, following the respective academy policy and procedures (including recording and reporting incidents).

13.2 Update staff on the latest research and publications around all forms of bullying and exploitation (including, for example – online, peer-on-peer, child sexual exploitation and county lines), within the context of contextual safeguarding.

- 15.5 Ensure all parents/guardians know about the academy and trust complaints procedure, how to use it effectively and how to raise concerns in an appropriate manner.
- 15.6 We believe that Thrumpton Primary academy provides a good education for all our students, and that the Principal and other staff work very hard to build positive relationships with all the parents and carers. However, if a bullying concern or complaint does arise, academies have procedures in place in accordance with the terms of the Education (Independent School Standards) Regulations 2014 Part 7:

www.legislation.gov.uk/ukxi/2014/3283/pdfs/ukxi_20143283_en.pdf
