## **INDEX**

1. Co-ordination and Communication
2. Emergencies
3. Accidents, Dangerous Occurrences, etc.
4. First Aid
5. Administration of Medicines
6. Controls;
  - 6.1 Risk Assessments
  - 6.2 Maintenances of Sites
  - 6.3 House Keeping & Disposal of Waste
  - 6.4 Premises Security
  - 6.5 Severe Weather
  - 6.6 Lone Working
  - 6.7 Visitors
  - 6.8 Management Review
  - 6.9 Enforcing Authorities
  - 6.10 Vehicles
  - 6.11 Insurance
7. Information, Instruction & Training;
  - 7.1 Health & Safety Training
  - 7.2 Manual Handling
8. Premises;
  - 8.1 Asbestos
  - 8.2 Legionella
  - 8.3 Work Equipment
  - 8.4 Access Equipment
  - 8.5 Ladders
  - 8.6 Step Ladders
  - 8.7 Manual Handling Equipment
  - 8.8 Equipment, Students with Special Educational Needs
  - 8.9 Lifts
  - 8.10 Caretaking & Cleaning Equipment
  - 8.11 Grounds Maintenance Equipment
  - 8.12 Portable Electrical Equipment
  - 8.13 Catering
  - 8.14 Contractors
  - 8.15 Hazardous Materials used in Construction
9. Educational Activities and Equipment;
  - 9.1 Laboratory Apparatus & Equipment
  - 9.2 Radioactive Sources
  - 9.3 Design & Technology Equipment
  - 9.4 Art & Design Equipment
  - 9.5 PE Equipment
  - 9.6 Outdoor Play Equipment
  - 9.7 Stage Lighting Equipment
  - 9.8 Mobile Staging & Seating
  - 9.9 Pianos, Organs and other Musical Equipment

- 9.10 Display Screen Equipment
- 9.11 Swimming Pools
- 9.12 Hazardous Substances
- 9.13 Personal Protective Equipment
- 10. Students outside the Academy;
  - 10.1 Educational Visits and Journeys
  - 10.2 Work Experience
- 11. Use of Premises Outside of Academy Hours;
  - 11.1 Lettings
- 12. Welfare;
  - 12.1 Bullying/ Harassment
  - 12.2 Stress
  - 12.3 Staff Welfare
  - 12.4 Noise
  - 12.5 Smoking

## 1. CO-ORDINATION & COMMUNICATIONS

### Health and Safety Co-ordinator

The member of staff in the academy with special responsibility for Health and Safety Matters ( Health and Safety Co-ordinators ) are:	<b>Principal Site Manager</b>
---------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------

### Health and Safety Representatives

The members of the Academy's staff who are health and safety representatives for the professional associations are:

Professional Association	Name
Institute of Occupational Safety and Health	<b>Principal, Site Manager and Office Manager</b>

### Safety Representatives and Safety Committees

Any employee appointed as a safety representative by his/her Association or trade union will be offered facilities in Accordance with the Authority's Code of Practice and is required to inform:	<b>Principal</b>
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------

### Health and Safety Meetings (Termly)

The constitution, membership and the minutes of the Academies Health & Safety Meetings are kept:	<b>School Office</b>
--------------------------------------------------------------------------------------------------	----------------------

## 2. EMERGENCIES (FIRE, ETC.)

Emergency procedures covering a range of hazardous situations which may arise in the establishment can be found in the following locations:

Type of emergency procedure	
Fire Evacuation Procedure	Emergency Plan
Bomb Alert	Emergency Plan
Gas Leak	Emergency Plan
Electrical Fault	Emergency Plan
Water	Emergency Plan
Storm or Flood Damage	Emergency Plan
Persons Threatening Violence on Site	Emergency Plan
Dangerous Animal(s) on Site	Emergency Plan
Other	

The person who discovers the emergency will raise the alarm immediately by the most appropriate means and ensure that the Principal or in their absence, a member of the senior management team is informed immediately and that where appropriate the emergency services are summoned. He/she will liaise with the emergency services when they arrive and take advice from them.

The Academy's Emergency Plan should be followed according to the nature of the emergency.

The person (and deputy) responsible for person for ensuring and supervising (where appropriate)	Person	Deputy
the controlled evacuation of people from the building or on the site to a place of safety,	<b>Principal</b>	<b>Member of Leadership</b>
<ul style="list-style-type: none"> <li>summoning of the emergency services</li> </ul>	<b>Office Staff</b>	<b>Principal</b>
<ul style="list-style-type: none"> <li>that a roll call is taken at the assembly point</li> </ul>	<b>Teaching Staff Principal</b>	<b>Member of SLT</b>
<ul style="list-style-type: none"> <li>that no-one attempts to re-enter the building until the all clear is given by the emergency services is (eg <i>Exec. Principal, Vice Principal or other member of the senior management team</i>)</li> </ul>	<b>Principal</b>	<b>Member of SLT</b>

**Note: The priorities are as follows:**

- to ensure the safety of all persons people, their removal from danger, their care and the application of first aid and medical treatment where appropriate;**
- to call the emergency services when appropriate;**
- to safeguard the premises and equipment, if this is possible without putting persons at risk.**

The person responsible for arranging, recording and monitoring emergency evacuation drills at least once per term is:	<b>Principal</b>
-----------------------------------------------------------------------------------------------------------------------	------------------

Details of the locations of all hazardous and flammable substances on site in case of emergency are kept:	First Copy: <b>COSHH File located in the Office</b>
	Second Copy
The competent person responsible for carrying out and updating the fire risk assessment for the premises is:	<b>Competent and approved Fire Risk Assessor, updated by Site Manager</b>

## Fire Prevention and Detection Equipment Arrangements

The person(s) responsible for initiating the test of the following fire safety systems and completing the record sheets:

<u>System</u>	<u>Location of Test Records</u>	<u>Person Responsible</u>
Fire Alarm	<b>Main Office</b>	<b>Site Manager</b>
Emergency Lighting System	<b>Main Office</b>	<b>Site Manager</b>
Smoke Detection System	<b>N/A</b>	<b>N/A</b>
The person responsible for carrying out a termly visual inspection of all emergency firefighting equipment ( for example, fire hoses, fire extinguishers, fire blankets) and to whom any short comings should be immediately reported is:		<b>Site Manager</b>
The contractor responsible for conducting the annual test of firefighting equipment inspection and maintenance is:		Supplier: <b>Notts Fire Safety Limited</b>
		Telephone Number: <b>01623 825516</b>

## Locations of Main Service Isolation Points

The locations of the positions of all main service isolation points are as follows:

SERVICE	<i>LOCATION OF ISOLATION POINT DETAILS</i>
Water	<b>Plant / Boiler Room</b>
Electricity	<b>Plant / Boiler Room</b>
Gas	<b>Outside Plant / Boiler Room</b>

### 3. ACCIDENTS, DANGEROUS OCCURRENCES, VIOLENT INCIDENT AND NEAR MISS REPORTING AND INVESTIGATION

Any employee who witnesses an accident, dangerous occurrence, verbal abuse or actual or threatened violence or near miss, or to whom one is reported, will make an entry in the accident report book as soon as possible after the event:

**Accident book(s)** are kept by the following people at the location(s) specified:

<b>Location of Accident Book</b>	<b>Person in Charge of Accident Book</b>
Resource Area in Library	<b>Head First Aider</b>
Accident reports should be drawn to the attention of and counter-signed by the Principal before being sent to the Health and Safety Team via the Wellworker online system.	<b>Principal</b>
The person responsible for monitoring accidents and incidents to identify trends and patterns is:	<b>Principal</b>

Where accidents are found to be caused by faulty plant, equipment, premises or unsafe systems of work action must be taken to remove or isolate the hazard and warn people until the necessary modifications or repairs can be made.

#### **4. FIRST AID**

(Please insert a list of First Aiders/qualifications/dates as an Appendix)

Including the names (and extension numbers if appropriate) of current first aiders and appointed persons emergency aiders are displayed at the following points in the academy

The person responsible for ensuring first aid qualifications are maintained is:	<b>Principal</b>
The person responsible for ensuring that first aid cover is provided for staff working out of normal school hours is:	<b>Principal</b>

First aid boxes and first aid record books are kept at the following points in the Academy

<b>Location of First Aid Boxes, all faculty's</b>	<b>First Aid Record Book(s)</b>
Resource Area in Library	Resource Area in Library
Kitchen	

Travelling first aid boxes are kept at the following points in the school.

<b>Location of Travelling First Aid Box</b>	<b>Location of Travelling First Aid Box</b>
Resource Area in Library	

A termly check on the location and contents of all first aid boxes will be made by.	<b>Head first aider</b>
Use of first aid materials and deficiencies should be reported to: who is responsible for their replenishment.	<b>Head first aider</b>
The address and telephone number of the nearest medical centre/NHS GP is:	<b>Primary Care Centre, North Road, Retford, Notts</b>
	01777 702381
The address and telephone number of the nearest hospital with accident and emergency facilities is:	<b>Bassetlaw District General Hospital</b>
	01909 500990

## 5. ADMINISTRATION OF MEDICINES

The person responsible for dealing with the administration of medicines in accordance with the Supporting Pupils with Medical Needs in Academy's Document, including keeping records of parental permission, keeping medicines secure, keeping records of administration, and safely disposing of medicines which are no longer required is:	<b>Office Manager</b>
	<b>Head First Aider Deputy First Aider</b>
The person responsible for the dealing with the administration of controlled drugs such as Ritalin in accordance with the Supporting Pupils with Medical Needs in Academy's Document, including keeping records of parental permission, liaising with the providing pharmacist, keeping medicines secure, keeping records of administration, and safely disposing of medicines which are no longer required is:	<b>As above</b>
The person(s) responsible for undertaking and reviewing the healthcare plans of pupils with medical needs is:	<b>SENCO</b>

### Asthma Inhalers

The person responsible for the supervision and storage where appropriate of asthma inhalers is:	<b>Class Teachers</b>
-------------------------------------------------------------------------------------------------	-----------------------

## 6. CONTROLS

### 6.1 Risk Assessments

The person responsible for carrying out a general survey of the Academy's work activities including extra-curricular, extra-mural activities, work carried out by contractors or volunteers on site, identifying hazards and ensuring risk assessment are produced and appropriately communicated is:	<b>Principal Site Manager Class Teachers Office Manager</b>
-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------

### 6.2 Maintenance of site, premises and hazard reporting

All employees and governors must report any hazards that could be a cause of serious or imminent danger, e.g. damaged electrical sockets, broken windows, suspected gas leaks, wet or slippery floors immediately, by telephone to:	<b>Site Manager</b>
Verbal reports should be followed up in writing using the reporting form through the Every Database	<b>Principal, Site manager and office manager have access</b>
A person encountering any damage or wear and tear of the premises which may constitute a hazard should report it to; by means of the hazard reporting procedure	<b>Site Manager</b>
Defective furniture should be taken out of use immediately and reported to: who will arrange for its replacement or repair	<b>Principal</b>
The person responsible for initiating a risk assessment of hazards identified and any remedial action decided upon is:	<b>Site Manager Principal</b>

### 6.3 Housekeeping and disposal of waste

Rubbish awaiting collection must never be left where it obstructs escape routes or could aid the production and spread of fire and smoke.

The person who should be contacted if circulation routes are obstructed by rubbish is:	<b>Site Manager</b>
----------------------------------------------------------------------------------------	---------------------

**All members of staff** are responsible for ensuring the good house-keeping of their own workrooms, for example, offices, laboratories, workshops, art studios, drama studios and related storage areas.

**All members of staff** are responsible for arranging to clear up spillages, which occur whilst they are in charge of the area concerned. Other spillages, leaks or wet floors should be reported to the Caretaker who will arrange for them to be dealt with.

**All members of staff** are responsible for ensuring that hazardous substances or substances that require special procedures for disposal are disposed of safely and in accordance with the appropriate risk assessment sheet.

When rubbish needs to be disposed of it should be reported to: (who will arrange for its safe disposal).	<b>Site Manager</b>
The person responsible for the safe disposal of any <b>hazardous substances</b> or <b>special wastes</b> is:	<b>Site Manager</b>
The person responsible for ensuring the safe and appropriate disposal of any <b>clinical waste</b> is:	<b>Site Manager</b>
The person responsible for checking that the oil tank bund wall is effective is:	NA

#### 6.4 Premises Security

The person (and their deputy) responsible for unlocking and locking the building, arming and disarming security alarms etc is:	First <b>Site Manager</b>
	Deputy <b>Principal</b>
The person(s) who has/have been trained to deal safely with burglar alarm call outs is;	First <b>Key Holders: ASGS</b>
	Deputy <b>Site Manager</b>

#### 6.5 Severe Weather

During periods of severe weather, arrangements for maintaining safe access to, from and within the premises (e.g. clearing snow and ice) will be determined by:	<b>Site Manager</b>
-----------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------

#### 6.6 Lone Working

The person responsible for ensuring risk assessments are prepared and implemented for lone working activities is:	<b>Principal</b>
-------------------------------------------------------------------------------------------------------------------	------------------

#### 6.7 Visitors

On arrival all visitors <b>must</b> report to: where they will be issued with: <ul style="list-style-type: none"> <li>• an identification badge</li> <li>• relevant health and safety information</li> <li>• and will sign into the visitors logging in system</li> </ul>	<b>Main Reception</b>  <b>Office Staff</b>
An employee seeing an unidentified person should act in accordance with agreed procedures which can be found:	<b>Emergency Plan</b>

#### 6.8 Management Review

The person(s) responsible for carrying out an annual review of the H&S Policy Local Arrangements and its implementation in the academy is/are	<b>Principal</b> <b>Site Manager</b>
The people responsible for compiling and implementing the academy's annual health and safety action plan, including action for improvements in the appropriate development plan are:	<b>Principal</b> <b>Site Manager</b>

**6.9 Enforcing Authorities e.g. Health and Safety Executive (HSE),  
LA Safety Officers, Environmental Health Officer**

The person responsible for co-ordinating visits and recommendations; co-ordinate action and report matters requiring authorisation/action to the Governing Body or LA is:	<b>Principal Site Manager</b>
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------

**6.10 Vehicles**

Academy owned, hired or leased minibuses or coaches are only to be used for journeys approved under the procedure.

The person responsible for arranging insurance and maintenance of vehicles to the standards laid down is:	<b>NA</b>
The person responsible for authorising the use of the academy minibus, ensuring risk assessments are completed, have passed the minibus test etc is:	<b>NA</b>
The person responsible for maintaining a list of authorised drivers of academy vehicles who have passed the County test is:	<b>NA</b>

**6.11 Insurance**

In addition to the insurance arranged with RPA the Local Academy Board has decided to arrange the following additional cover.

<b>Insurance Company</b>	<b>Details</b>

**7. INFORMATION, INSTRUCTION AND TRAINING**

**Provision of Information**

The person responsible for distributing all health and safety information received from the LA as our advisors and elsewhere, for the maintenance of a health and safety information reference system is:	<b>Site Manager</b>
Records of employees signatures indicating that they have received and read and understood health and safety information are kept:	<b>Principal Office Manager</b>

New employees will be informed of all relevant health and safety information as part of the induction process.

Health and Safety Documentation will be kept in the Health and Safety manual located; however in most cases staff will be trained via an on-line portal	<b>School Office</b>
---------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------

The people responsible for maintaining these records and deciding on the appropriate circulation of each document/policy are:	<b>Principal Site Manager Office Manager</b>
The health and safety notice board is sited:	<b>Staff Room</b>
The person responsible for ensuring documents are displayed for two weeks on the health and safety noticeboard and keeping it up to date is:	<b>Principal</b>
The Health and Safety Law Poster is sited:	<b>Staff Room / Main Office</b>

### 7.1 Health and Safety Training -

The people responsible for drawing to the attention of all employees the following health and safety matters as part of their induction training are:	<b>Principal Site Manager Office Manager</b>
-------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------

- Health and Safety Policies: Trust and Academy
- NCC Health and Safety Manual
- Codes of Safe Practice and Guidance
- Education Visits Documents
- Local Asbestos Management Plan & Asbestos Condition Log
- Legionella Log
- Risk Assessment
- Fire and other Emergency Arrangements
- Accident Reporting Arrangements
- First Aid Arrangements
- Safe Use of Work Equipment
- Procures for Hazardous Substances
- Good Housekeeping, Waste Disposal and Cleaning Arrangements
- Hazard Reporting and Maintenance Procedures
- Special Hazards/Responsibilities Associated with their Work Activity
- Special Needs of Young Employees (e.g. Work Experience Placements)

The people responsible for co-ordinating the provision of the health and safety training needs of teaching staff in consultation with their line managers and the employees concerned are:	<b>Principal Office Manager</b>
The people responsible for co-ordinating the provision of the health and safety training needs of support staff in consultation with their line managers are:	<b>Principal Office Manager</b>
The people responsible for compiling and implementing the academy's annual health and safety training plan is:	<b>Principal Site Manager Office Manager</b>
The people responsible for reviewing the effectiveness of health and safety training are:	<b>Principal Site Manager</b>
The person responsible for keeping records of training and certification for the use of hazardous machinery such as woodworking machinery, etc is	NA
Employees who feel that they have need for health and safety training of any kind should notify in writing the contact person who is:	<b>Principal</b>

## 7.2 Manual Handling

### Manual Handling of Objects

The person(s) responsible for identifying hazardous manual handling activities involving objects is and arranging for their elimination or risk assessment is:	<b>Site Manager</b>
The person responsible for monitoring the safety of manual handling activities is:	<b>Site Manager</b>

### Manual Handling of People

The person responsible for identifying hazardous manual handling activities involving people and arranging for their elimination or risk assessment is:	<b>Principal</b>
---------------------------------------------------------------------------------------------------------------------------------------------------------	------------------

## 8. PREMISES

### 8.1 Asbestos

The person responsible for making arrangements for dealing with asbestos in compliance with the policy, and ensuring that the Local Asbestos Management Plan (LAMP) and premises asbestos log is consulted by visiting contractors and other relevant persons is:	NA – New Building
The premises Local Asbestos Management Plan (LAMP) and asbestos log is kept:	NA – New Building
The person responsible for ensuring that the LAMP and asbestos log is updated, annually and as appropriate following work on the fabric of the building is:	NA – New Building

### 8.2 Legionella

The person with overall responsibility for managing Legionella is:	<b>Site Manager</b>
The schools Legionella risk assessment is kept at:	<b>Main Office</b>
The person with responsibility for ensuring that remedial actions from the report are followed through is:	<b>Principal</b>
The water temperatures are taken (monthly) by:	<b>Site Manager</b>
The flushing of little used outlets is carried out by:	<b>Site Manager</b>
The log book is kept in:	<b>Site Office</b>

### 8.3 Work Equipment Specific Risks

The following equipment has been identified as likely to involve a specific risk to health and safety and its use, inspection and repair is therefore restricted to: -

## 8.4 Access Equipment

Powered Access Equipment, Mobile Access Platforms, Tower Scaffolds

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment is:	
Person(s) authorised to operate and use is/are:	Training required for Academy site if applicable. Only qualified contractors to be used for this work
Training in safe use received from: including dates	

## 8.5 Ladders

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment is:	<b>Site Manager</b>
Person(s) authorised to use is/are:	<b>Site Manager</b>

## 8.6 Stepladders

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment is:	<b>Site Manager</b>
Person(s) authorised to use is/are:	Site teams and other staff given suitable training by the site staff on correct usage

## 8.7 Manual Handling Equipment

This includes equipment used for the manual handling of loads and equipment used for the manual handling of people.

The person responsible for ensuring that sack barrows, flat-bed trolleys etc are maintained in a safe condition is	<b>Site Manager</b>
--------------------------------------------------------------------------------------------------------------------	---------------------

## 8.8 Equipment Provided for Pupils with Special Educational Needs

The person responsible for ensuring that all hoists, both ceiling mounted and mobile, used for moving people are inspected and serviced every six months by a competent contractor and kept in good working order is:	<b>Site Manager</b>
The person responsible for ensuring that slings are laundered regularly and appropriately and kept in a hygienic condition is:	<b>NA</b>
The person responsible for ensuring that all wheelchairs, Standing frames are inspected and serviced annually by a competent person and kept in a safe any hygienic condition and in good working order on a day to day basis is:	<b>NA</b>
The person responsible for ensuring that other special needs equipment is kept in good working order and serviced appropriately is:	<b>NA</b>

### 8.9 Lifts

The person responsible for ensuring that lifts are inspected and serviced every six months is:	<b>NA</b>
------------------------------------------------------------------------------------------------	-----------

### 8.10 Caretaking and Cleaning Equipment

This includes moving and handling equipment; powered cleaning equipment, power tools, hand tools

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment is:	<b>Site Manager</b>
Person(s) authorised to operate and use is/are:	<b>Site Manager</b>

### 8.11 Grounds Maintenance Equipment (Tractors/Tractor Powered Machinery)

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment is:	Name/Supplier; <b>Retford Greenman</b>
Person(s) authorised to operate and use is/are:	Name/Supplier; <b>As above</b>

### Grounds Maintenance Equipment (Machinery and Tools)

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment is:	Name/Supplier; <b>As above</b>
Person(s) authorised to operate and use is/are	Name/Supplier; <b>As above</b>

### 8.12 Portable Electrical Appliances and Fixed Electrical Wiring

The person responsible for ensuring portable electrical Appliance testing is carried out at appropriate intervals and recorded is:	<b>Site Manager</b>
Person(s) responsible for carrying out formal visual inspection and testing is/are:	Names/Supplier: <b>AJ Electrical</b>
Staff must not bring onto the premises any portable electrical appliances unless they have authorised and the appliances have been portable appliance tested. The person responsible for authorising their use on the premises is:	<b>Principal</b>
The person responsible for ensuring that the premises hard wiring is periodically checked (5yrs) is:	<b>Site Manager</b>
The person responsible for ensuring that any remedial works are actioned is taken if identified in the hard wiring test is:	<b>Site Manager</b>

### 8.13 Catering (For completion only by academies with an out-sourced catering operation on site)

The person responsible for registering the food premises with the local Environmental Health Officer of the District/Borough Council is:	<b>Principal</b> <b>Site Manager</b>
------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------

## In-house Catering

The person responsible for monitoring the preparation of food, the nutritional standards of meals, and the maintenance of satisfactory hygiene standards is:	<b>Caterlink</b>
--------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------

## Catering Equipment (Dough mixers, Slicing machines, Potato peelers)

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment is:	<b>Caterlink</b>
--------------------------------------------------------------------------------------------------------------------	------------------

Person(s) authorised to operate and use is/are:	<b>Catering Operatives</b>
-------------------------------------------------	----------------------------

## 8.14 Contractors (Non PFI Academies)

The person responsible for selecting contractors and vetting contractors health and safety, policies, procedures, risk assessments, method statements, insurance and past health and safety performance, is,	<b>Operations Manager Office Manager</b>
The person in control of contractors is:	<b>Site Manager</b>
Responsibility for liaison with contractors, and for matters set out in the Health and Safety Manual guidance for Control of Contractors:	<b>Site Manager</b>

## 8.15 Hazardous Materials, used within Construction

It should be noted that due to the age of some buildings, the materials used in their construction requires special consideration when undertaking any building work, painting, refurbishments or demolition. Some likely hazards are as follows, this is not an extensive list so consider all aspects during the planning process;

- Paint (possible lead content pre 1990's)
- Lime (both in plaster and mortar)
- Horse/animal hair (used in lath & plaster wall construction)

Ensure that adequate measures are taken and documented in lines with current guidance and legislation.

If there are any concerns highlight this prior to undertaking any work.

## 9 EDUCATIONAL ACTIVITIES AND EQUIPMENT

### 9.1 Laboratory Apparatus/Equipment

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment is:	<b>NA</b>
Person(s) authorised to operate and use is/are:	Science Faculty Staff that have been trained, students under supervision of trained staff
Organisation responsible for guidance on the safe use of Laboratory materials and processes	<b>CLEAPSS</b>

## 9.2 Radioactive Sources

The Radiation Protection Supervisor is:	<b>NA</b>
The location of the following records is:	<b>NA</b>

DfE permission to purchase letter	<b>NA</b>
History of the sources	<b>NA</b>
Use log	<b>NA</b>
Monitoring/Test records	<b>NA</b>
Risk assessments for use	<b>NA</b>
CLEAPSS Science Codes of Practice	<b>NA</b>

## 9.3 Design and Technology Equipment (Resistant and Compliant Materials)

Person responsible for selection, inspection, maintenance, training, supervision. Safe use and risk assessment is:	<b>NA</b>
Person(s) authorised to operate and use is/are:	<b>NA</b>
The person(s) responsible for instructing pupils in the safe use of equipment before they use it and checking they use it correctly is/are:	The trained staff are; <b>NA</b>
The person(s) responsible for ensuring that all machinery is adequately guarded and that the guards are in position when the equipment is in use is/are:	<b>NA</b>
The person responsible for taking out of use any equipment which is inadequately guarded is/are:	<b>NA</b>

### Design and Technology Equipment (Food Technology and Textiles)

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment is:	<b>Principal Site Manager</b>
Person(s) authorised to operate and use is/are	Staff that have been trained, students under supervision of trained staff
The person(s) responsible for ensuring that temperature of the refrigerator and freezer are monitored and logged is/are:	<b>Site Manager</b>
The person responsible for ensuring an adequate schedule of deep cleaning is carried out in the food technology area is:	<b>Site Manager</b>

#### 9.4 Art and Design Equipment (Fine Arts)

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment is:	<b>Principal Site Manager</b>
Person(s) authorised to operate and use is/are:	<b>Trained staff</b>

#### Art and Design Equipment (Ceramics)

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment is:	<b>Principal Site Manager</b>
Persons authorised to operate and use is/are:	<b>Trained staff</b>

#### 9.5 PE Equipment

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment is:	<b>Principal Site Manager</b>
Person(s) responsible for regular (daily) visual inspection is/are:	<b>All PE Staff</b>
Contractor responsible for annual full inspection and report is:	Name/Supplier; <b>GM Services</b>

#### 9.6 Outdoor Play Equipment

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment is:	<b>Principal Site Manager</b>
Contractor responsible for annual full inspection and report is:	Name/Supplier; <b>GM Services</b>
Person(s) responsible for regular (daily) visual inspection is/are:	<b>All Staff</b>
The person responsible for the monthly formal inspection of the equipment and safety surfacing and to whom any faults should be reported immediately and who will take it out of use if necessary is:	<b>Site Manager:</b>
The person responsible for ensuring that the equipment is adequately supervised when in use is:	<b>All Staff</b>

#### 9.7 Stage Lighting Equipment

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment is	Name/Supplier <b>EES Showhire</b>
Person(s) authorised to operate and use is/are:	Music & Performing Arts staff that have been trained, students under supervision of trained staff

### 9.8 Mobile Staging and Seating

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment is:	<b>Principal Site Manager</b>
Person(s) authorised to operate and use is /are:	Site Staff, Music & Performing Arts staff that have been trained, students under supervision of trained staff

### 9.9 Pianos, Organs and Other Musical Instruments

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment is:	<b>Principal</b>
Person(s) authorised to operate and use is/are:	Music & Performing Arts staff that have been trained, students under supervision of trained staff

### 9.10 Display Screen Equipment

The following employees are classified as users of display screen equipment and an assessment will be made of their workstations. They will be entitled to a regular eye test.

<b>Employee Name</b>	<b>Job Title</b>
	<b>Office Manager</b>
	<b>Office Administrator</b>

The competent (trained) person responsible for carrying out display screen equipment risk assessments is:	
The person responsible for implementing the requirements of the risk assessment is:	

### 9.11 Swimming Pools

The person responsible for ensuring that the pool is <ul style="list-style-type: none"> <li>• correctly and safely maintained</li> <li>• regular inspections are carried out</li> <li>• remedial action is taken or if necessary the pool is taken out of use where necessary</li> <li>• appropriate records are kept is:</li> </ul>	<b>NA</b>
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------

The person responsible for ensuring that the swimming pool is used only by authorised persons in accordance with the code of safe practice, with lifesavers and adequate supervision etc is:	<b>NA</b>
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------

## 9.12 Hazardous Substances

Inventories of hazardous substances used in the academy are maintained by the following employees at the locations specified:

Science	<b>NA</b>
Design and Technology ( Materials )	<b>NA</b>
Design and technology ( Food and Textiles )	<b>NA</b>
Art and Design ( Fine Arts )	<b>NA</b>
Art and Design ( Ceramics )	<b>NA</b>
Caretaking and Cleaning	<b>Site Manager</b>
Swimming Pool Maintenance	<b>NA</b>
Catering	<b>NA</b>
Grounds Maintenance	<b>Site Manager</b>
Other	<b>NA</b>

Copies of all the hazardous substances inventories are held centrally in:	<b>Health &amp; Safety File</b>
The person responsible for undertaking and updating the COSHH risk assessments is:	<b>Site Manager</b>
